

# Fire Prevention Inspections Timeline 2018/19

		Aug	Sept	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul
		<b>Fire Danger Period</b> The <a href="#">Fire Danger Period</a> will commence on 10 September and can finish as late as May											
<b>Landowners</b>	<b>Normal property maintenance</b>	<b>Fire Season Property Maintenance</b> Properties must be maintained in a fire ready state throughout the declared Fire Danger Period This may mean your block needs additional slashing several times throughout the fire season If we inspect your property and it is not in a fire ready state, we will serve each individual owner a Fire Prevention Notice. If you have already received a Fire Prevention Notice this season, each individual owner may receive a Fire Infringement Notice (current penalty \$1,612)											<b>Normal property maintenance</b>
<b>Fire Prevention Officers</b>	<b>General monitoring of property maintenance</b>	<b>Annual Fire Prevention Inspections Program (from 7 November)</b>											<b>General monitoring of property maintenance</b>
		1 <sup>st</sup> Inspections	2 <sup>nd</sup> Inspections	<b>Ongoing Inspections</b> Additional inspections as required Fire Prevention Notices and Infringement Notices issued as necessary									
		<b>Fire Prevention Notices served</b>  Directing you to complete hazard reduction works by a specified due date	<b>Fire Infringement Notices issued</b>  \$1,612 penalty for not complying with your Fire Prevention Notice  <b>Forced hazard clearing</b>
